To  
The Editor,

Date: 28-1-2016

Sir,

I request that the following matter may kindly be published in your esteemed daily:

**TNAU signed MOU with Petroleum Conservation Research Association  
(PCRA) Chennai**

Tamil Nadu Agricultural University (TNAU) is a leading Agricultural University in India focusing on various agricultural activities for the well being of farmers. TNAU organizes various extension programmes on farming activities such as training programmes, awareness creation and farmers mela etc.

PCRA is engaged in promoting fuel efficiency in the country across various sectors like transport, households, Industry and Agriculture through direct technical assistance, educational and training programmes and mass awareness campaigns.

A Memorandum of Understanding (MoU) has been signed between TNAU and PCRA in the presence of the honorable Vice-Chancellor of TNAU Dr. K. Ramasamy, on 28-1-2016.

It is proposed to jointly organize various trainings and awareness programme on fuel efficiency in agricultural sectors. Various programmes on fuel conservation activities will be conducted in agricultural workshops, Kissan Melas to create awareness among the farmers. These programmes will educate farming community to conserve fuel in various farming activities. This will help in reduced fuel consumption and fetch more profit. Reduced fuel consumption will reduce the pollution and help in safety environment.

Dr. S. Pugalendhi, Professor and Head, Department of Bioenergy will be liaising with PCRA and KVKs, TNAU for arranging awareness camps.

Asst. Public Relations Officer
