To
The Editor,

Date: 29-4-2016

Sir,

I request that the following matter may kindly be published in your esteemed daily:

Industrial Internship Programme in TNAU

The industrial internship programme is being conducted every year for final year B.Tech (EEE) and B.Tech (FPE) students during the eighth semester in Agricultural Engineering and Research Institute (AEC&RI), Tamil Nadu Agricultural University (TNAU), Coimbatore for duration of 80 days. Under this programme, various industries, pertaining to renewable energy, environment and food processing available throughout India, are contacted towards acquiring internship to our students in the industries according to their choice.

During the internship programme, the students stay and work in the industries for a period of 80 days. A poster session exhibiting the outcome of their internship was organized for both B.Tech (EEE) and B.Tech (FPE) programmes on 28-4-2016 at Technology Park 3 of TNAU, Coimbatore. During the exhibition, the students displayed the various activities of the concerned industries, the topic of problem on which they worked, the output of their work, information on the absorption of interns into the industries, models / documents related to their work in the industries, etc.

Our Vice-Chancellor Dr.K.Ramasamy inaugurated the poster session on 28-4-2016 and was explained the activities by the students. He shared his views and ideas in the uproaring fields of energy, environment and food processing. He encouraged and appreciated the students for their valuable contribution of work to the concerned industries.

He along with Dr.C.Divakar Durairaj, Dean, AEC&RI, congratulated the outgoing students and encouraged the junior students to be proactive in acquiring relevant knowledge

and putting into the practice in their ensuing internships. They congratulated the 25 number of out going students already placed in the industries and 20 number of students who have been admitted to the higher studies in prestigious National and International Institutes for their higher studies.
