To
The Editor,

Date: 16-3-2019

Sir,

I request that the following matter may kindly be published in your esteemed daily:

Canada Student Learn TNAUs' Nematological Techniques

Tamil Nadu Agricultural University and Dalhousie University, Truro, Nova Scotia, Canada has signed an MOU for students exchange programme coordinated by Dr. T. Raguchander, Dean (Students Welfare).

Accordingly based on the expertise of the faculty members of this department, a training programme has been organized by Dr. K. Prabakar, Director, Centre for Plant Protection Studies, in the Department of Nematology under the headship of Dr. K.Poornima from 11th March to 22nd March 2019.

The student, Ms.Hannah Arseneault, I M.Sc student of Faculty of Agriculture, Dalhousie Agricultural Campus, Truro, Nova Scotia, Canada attending the programme will be familiarized with all the Nematological techniques so as to empower her to handle the techniques required for her thesis research work at her university.
