To  
The Editor,

Date: 12.10.2019

Sir,

I request that the following matter may kindly be published in your esteemed daily:

**Training on Value added products from Millets**

One day training on “Value Added Products from Millets” will be organized at **Food Processing Incubation cum Training Centre(FPITC), Regulated Market, Coimbatore Marketing Committee, Opposite to Kodathavadi Pirivu, Kinathukadavu on 18.10.2019**. The following value added products will be covered under the training programme.

Millets play a major role in health in improving the nutritional status of the human beings. However it is very sparingly used in our daily diet. Millets are more nutritious and value added products of millets have more health benefits. With an aim to develop skills to entrepreneurs this training has been organized. The following items will be dealt in the training programme:

- ❖ Traditional foods
- ❖ Pasta foods
- ❖ Instant food mixes

Interested persons are requested to pay **Rs.750/-** (Rupees Seven hundred and fifty only) in person on the day of training.

**For further details, please contact:**
