To  
The Editor,  
Sir,

Date: 24.12.2022

I request that the following message may kindly be published in your esteemed daily:

**TNAU organized technology demonstration program in honour of National Farmers' Day**

In commemoration with National Farmers' Day and AgriTech Manifest 2022, Agricultural Engineering College and Research Institute, TNAU Coimbatore organized a technology demonstration program for the benefit of farmers on 23.12.2022. Around 45 farmers (25 female, 20 male) from Annur, Devarayapuram attended the farmers' interaction meet and visited the workshops of Agricultural Engineering College where Scientists demonstrated the latest agricultural engineering technologies and facilities. Tree saplings were distributed to the farmers signifying the importance of attitude towards preserving and protecting the environment.
