I request that the following message may kindly be published in your esteemed daily:

TNAU inks MoU with USQ for Student exchange program

Tamil Nadu Agricultural University (TNAU), Coimbatore signed a MoU with University of Southern Queensland (USQ), Australia to exchange PG students for capacity building in academic activities. A high level delegation headed by Prof. Ren Yi, Pro Vice-Chancellor (International), USQ visited TNAU and signed a MoU to initiate a student exchange program called “Cotutelle Program” between TNAU and USQ on **24.06.2022**.

The “Cotutelle Ph.D. Program” will enable the student to conduct research in two universities. Upon completion of this program the student will receive two doctoral degrees from TNAU and USQ. This will enhance the chances of employment to the Indian students in Australia. Above all TNAU will strengthen its capacity on climate modelling, weather forecasting and crop insurance. The student exchange program will continue for five years and 10 students will be benefitted.
