TNAU Vice Chancellor Inaugurated PGSMS Facility

Dr.V.Geethalakshmi, Vice Chancellor, Tamil Nadu Agricultural University, Coimbatore, inaugurated PGSMS (Post Graduate Student Management System) facility at School of Post Graduate Studies, TNAU, Coimbatore on March 29, 2022.

The security level of records will be enhanced, and longitudinal information about individual students serviced within the PG School will be retained, according to this facility. Once the students have been admitted to TNAU, a centralized database for all Masters and Doctoral students' kiosks will be created, making it easier to share papers and ideas; editing, retrieving, and accessing data on the fly from anywhere will be made easier. Furthermore, a communication portal enabling students and teachers to receive real-time information and notifications across many platforms, as well as the ability to transmit vital updates via emails and in-app push notifications.

The inaugural ceremony was attended by Dr.J.S.Kennedy, Dean, School of Post Graduate Studies, TNAU, Coimbatore, and faculty members from the School of Post Graduate Studies, TNAU, Coimbatore. The meeting was viewed online by University Officers, Professor and Heads of various departments of TNAU.
