The Editor,  
Sir,

Date: 01.12.2022

I request that the following message may kindly be published in your esteemed daily:

**TNAU conducts Paid Organic Farming Training**

In order to satisfy the increasing demand of farmers and other stakeholders for acquiring skill in Organic Farming, the Nammazhvar Organic Farming Research Centre, Tamil Nadu Agricultural University has been organizing one day paid training on 7<sup>th</sup> of every month. In a communication given by Dr. R. Krishnan, Professor and Head of the Centre, he informed that this is the nodal centre of TNAU which embarks on research, training and advocacy services on organic Farming and the centre is equipped with state of the art facilities to analyse the Organic Inputs developed by public or private organizations. Further, a paid training has been planned to be held at the centre on 7<sup>th</sup> December 2022. All about organic farming including organic pest and disease management, weed management, hands on exposure to preparation of organic input preparation, certification procedures and marketing of organically produced agricultural commodities will be dealt in the training.

Farmers, entrepreneurs, research scholars and others can register before 5<sup>th</sup> December 2022 by calling Dr. M.Ramasubramanian, Professor of the centre in his mobile number 9486734404. The aspirants of the training has to pay Rs. 590 in the State Bank Account No 38918523789 and pre book for their participation.
