The Editor,

Sir,

I request that the following message may kindly be published in your esteemed daily:

### **TNAU Conducts Training on Value added products from Millets**

A two - day training programme on “Value added products from Millets” is scheduled to be held in the Tamil Nadu Agricultural University on 08.03.2022 and 09.03.2022.

Millets play a major role in health for improving the nutritional status of the human beings. However it is very sparingly used in our daily diet. Millets are more nutritious and the value added products from millets have more health benefits. With an aim to develop skills to entrepreneurs this training has been organized. The following items will be dealt in the training programme:

- Traditional foods
- Pasta foods
- Bakery products
- Instant food mixes

Interested persons are requested to pay a training fee of Rs.1,500/- (Rupees one thousand and five hundred only) + 18% GST on the 1st day of the training programme.
