To  
The Editor,  
Sir,

Date: 09.02.2023

I request that the following message may kindly be published in your esteemed daily:

**Book Fair at TNAU**

Tamil Nadu Agricultural University's, Centre for Students Welfare has organised a two days Book Fair on 08.02.2023 & 09.02.2023 at Techno Park, TNAU, Coimbatore. Dr.V.Geethalakshmi, Vice Chancellor, TNAU inaugurated the Book Exhibition. The University Officers, Heads of the Department & faculties of TNAU main campus participated in the inaugural function. About 20 Publishers and Distributors from all over India participated and displayed their latest books in the Book Exhibition. The books pertaining to agriculture and related sciences, including curriculum based text books, reference books and the books written by TNAU Scientists were displayed. Twenty percent discount is being offered to all the books during the exhibition. The Research scholars, students and faculty members exuberantly visited the book stall and purchased the books for their course and research work. This will also be useful for all the Constituent Colleges of TNAU for selecting and purchasing the books for their library. This year, there is a dedicated stall for books about sports, which deserves special mention.
