To
The Editor,
Sir,

Date: 27.02.2023

I request that the following message may kindly be published in your esteemed daily:

TNAU hosts Ecofest'23

Ecofest'23, an international conference on Energy transition and Climate neutrality was organized on 27.02.2023 by the students of B.Tech (Energy and Environmental Engineering) with the guidance of Dr.K.Aruna Devi, Assistant professor (SWCE), Agricultural Engineering College & Research Institute, Tamil Nadu Agricultural University, Coimbatore.

Welcome address was delivered by Ms. Angela Jaison, student organizing secretary. Honourable Vice-Chancellor of TNAU Dr.V.Geethalakshmi, inaugurated the Conference and expressed her views on the importance of Energy transition and Climate neutrality. Dr.A.Raviraj, Dean (Engg.) delivered the felicitation address and Mr.M.Prathap, I.A.S., Commissioner Corporation of Coimbatore honoured the event. The inaugural session had 4 guest speakers from various fields and places. Souvenir of the event was released by the Chief guest and Vice Chancellor. At the end, the inaugural session, vote of thanks was proposed by student organizing secretary Mr.D.Yokeshwar.

Students innovatively decorated the conference place with art from wastes and the products used for the conference were eco-friendly. On the whole, the event was conducted successfully with sustainable measure.
