To
The Editor,
Sir,

Date: 19.04.2023

I request that the following message may kindly be published in your esteemed daily:

TNAU - M.Sc./M.Tech and Ph.D. degree admissions (2023-24) begins

The School of Post Graduate Studies at Tamil Nadu Agricultural University, Coimbatore, Tamil Nadu offers Masters programme in 33 disciplines and Doctoral programme in 28 disciplines in 11 campuses. The admission process for these Post Graduate degree programmes (2023-24) begins on **19.04.2023**. The online application is available in the link: **<https://admissionsatpgschool.tnau.ac.in/>**. The candidates are instructed to apply online using this portal which would be live till **15.05.2023 (11.59 PM Midnight)**.

The students who have already completed their Undergraduate in agriculture and allied courses can apply for Masters program and those who have completed M.Sc. in Agriculture or Horticulture and M.Tech in Agricultural Engineering can apply for doctoral programs by uploading their Provisional Degree Certificate. Students who are in the final year can upload their previous semester marksheets issued by their competent authorities. The Provisional admission will be confirmed only after the submission of Provisional Degree Certificate.

The students are instructed to go through the Post Graduate Information Brochure (2023-24) for eligibility and other details and requested to submit their applications in time.

Any clarifications related to admission process shall be addressed to:
