To
The Editor,
Sir,

Date: 28.01.2023

I request that the following message may kindly be published in your esteemed daily:

TNAU Diploma counseling 2022-2023

Tamil Nadu Agricultural University one of the premier Agricultural Institutes of India is offering three diploma programs viz., agriculture, horticulture, and agriculture engineering through its four, three and ten constituent, Government-affiliated, and private-affiliated institutes respectively. For the academic year 2022-23, TNAU has received a total of 2036 applications. Of the total applications received 2025 eligible applications were considered for the ranking. The rank lists are published on 27.01.2023 on the website: www.tnau.ucanapply.com

The eligible applicants can attend the online counseling from 28.01.2023 to 30.01.2023. For attending the counseling, the applicants need not pay a fee. The stepwise procedures to be followed for this counseling are hosted on the website: www.tnau.ucanapply.com. During the counseling, the students can change their college and course options till 5.00 PM on 30.01.2023. The final choice modified by the applicants will be considered for the course and college allotment. The candidates will be called for certificate verification on 01.02.2023, the eligible candidates will have to pay the counseling fee, and a final allotment letter will be issued.

In case of clarifications, the candidates may either contact the helpline number 0422-6611345, (9.00a.m. to 5.00p.m. on working days) or the e-mail ugadmissions@tnau.ac.in
