To  
The Editor,  
Sir,

Date: 25.10.2023

I request that the following message may kindly be published in your esteemed daily:

**TNAU conducts one day online training on milky mushroom**

The Tamil Nadu Agricultural university is conducting an online training on Milky mushroom cultivation on 02.11.2023 (10 am to 1 pm) for the benefit of students, woman and farmers to develop entrepreneurship among youth. The training contents include demonstrations on cultivation technology of milky mushroom, cropping house requirements, Harvesting, Storage and Marketing of mushrooms, pest and disease management, experience sharing of few commercial growers, and Project cost analysis. E certificate will be provided for participation in the programme.

The training details with respect to fee and registration link is provided through [www.tnau.ac.in](http://www.tnau.ac.in)

For further details:

Kindly contact 0422 66 11336 / 9629496555

Email: [pathology@tnau.ac.in](mailto:pathology@tnau.ac.in)

Last date to apply: 29.10.2023.
