#### **8<sup>th</sup> Agricultural Graduate Students Conference Explores Globalization of Agriculture: Food, Feed & Fuel**

National Conference in Coimbatore: Exploring Globalization's Impact on Agriculture - Navigating Food, Feed & Fuel Dynamics.

8<sup>th</sup> Agricultural Graduate Students Conference - National Scholars and Experts Gather to Analyze the Interplay of Globalization and Agricultural Sustainability.

As the world's agricultural landscapes continue to be shaped by a rapidly changing global environment, the upcoming 8th Agricultural Graduate Students Conference, slated for the month of August, is set to provide a thought-provoking platform for in-depth discussions on the theme of "Globalization of Agriculture: Food, Feed & Fuel." The event will take place from August 22 & 23, 2023 at Tamil Nadu Agricultural University, Coimbatore, bringing together a diverse array of experts, scholars, and enthusiasts to delve into the intricate connections between globalization and the critical sectors of food, feed, and fuel. Under the theme of "Globalization of Agriculture: Food, Feed & Fuel," this year's conference aims to shed light on the multifaceted challenges and opportunities that arise as agricultural systems become increasingly interconnected across borders

Conference Patron **Dr.V.Geethalakshmi**, Vice-Chancellor, TNAU Chairman & Convenor will be inaugurating the conferences and the sessions are organized by **Dr.N.Senthil**, Dean, School of Post Graduate Studies. Eminent scientists and faculties from various institutions around the world, **Dr.Vijaya Raghavan**, Distinguished JamesMcGill Professor, Canada, **Dr.Senthil Subramanian**, Professor, Dept. of Plant Science, South Dakota State University, USA, **Dr.G. Prabakara Reddy**, Associate Dean, SV Agricultural College, Thirupathi, **Dr.Edwin Rogbell Jeyasingh**, Corteva Agriscience, Hyderabad, Telangana, **Dr.Balasankari Palghat Krishnan**, CEO, Renewable Cogen Globe – EECC and **Dr. Hameed Sulaiman**, Associate Professor, Biology Dept. Sultan Qaboos university will be enlightening the sessions with their knowledge and resources.

A total of 1320 participants from various states across the country have converged in Coimbatore to contribute to the dynamic discourse. A remarkable 460 poster presentations and 70 oral presentations have been curated, each encapsulating groundbreaking research findings and innovative solutions that address the multifaceted challenges posed by the globalization of agriculture.

In a world where interconnectedness is becoming increasingly evident, the 8<sup>th</sup> Agricultural Graduate Students Conference holds the promise of deepening our comprehension of how the globalization phenomenon intersects with the fundamental pillars of agriculture: food, feed, and fuel. It is an event that underscores the vital role of research and collaboration in navigating the intricate pathways of agricultural sustainability on a global scale.
