### **TNAU Signs MoA with CSGRC, Hosur for collaborative research work**

Tamil Nadu Agricultural University has signed a Memorandum of Agreement (MoA) with Central Sericultural Germplasm Resource Centre, Hosur for collaborative research on “Identification of promising mulberry fruit yielding accessions”. The agreement was signed by Dr. R. Thamizh Vendan, Registrar, TNAU, and Dr. V. Nishitha Naik, Director, (CSGRC), Hosur in the presence of Dr. M. Shanthi, Director (CPPS), TNAU.

Following the MoA signing, Dr. V. Nishitha Naik, Director, (CSGRC), Hosur and her team engaged in discussions with Dr. M. Shanthi, Director (CPPS), TNAU and Dr. K.A. Muruges, Professor and Head, Dr.P. Priyadharshini, Assistant Professor, Dept. of Sericulture regarding collaborative research work on mulberry fruit yielding accessions.

The collaboration also explores joint research in identifying promising mulberry fruit yielding accessions and promotion of high value-added mulberry fruit products for commercialization. This partnership also strengthens CSB-academia ties and supports innovation in eco-friendly Sericulture practices.
