To
The Editor,
Sir,

Date: 29.10.2025

I request that the following message may kindly be published in your esteemed daily:

Tamil Nadu Agricultural University
Vetri Nichayam - NMFS programme

Free Training Program on Greenhouse Operator

A training program on greenhouse operator will be conducted by the Agricultural Engineering College and Research Institute, Tamil Nadu Agricultural University, Coimbatore. This training will cover various topics including greenhouse setup, selection of construction materials, irrigation methods, plant management, pest and disease control and marketing strategies. Experts in the field will provide guidance and training on these subjects. The training will be conducted from 30th October 2025 to 28th November 2025. Interested candidates are requested to submit their applications with their name, address and contact number on or before 30th October 2025. Participants should complete at least 12th standard to be eligible. Preference will be given to candidates who have completed Agriculture, Horticulture, Polytechnic or Degree courses. The program will also include guidance on entrepreneurship and employment opportunities in the field of greenhouse cultivation.
