To
The Editor,
Sir,

Date: 10.10.2025

I request that the following message may kindly be published in your esteemed daily:

TNAU celebrated World Wildlife Week

The Eco Club of Agricultural Engineering College and Research Institute (AEC & RI), Tamil Nadu Agricultural University, Coimbatore, organized a Guest Lecture on “Wildlife” on 8th October 2025 in connection with the celebration of World Wildlife Week.

Dr. A. Raviraj, Dean, AEC & RI, Coimbatore, presided over the event and encouraged students to actively engage in eco-friendly initiatives. He emphasized that sustainable development is possible only when nature and humanity coexist in harmony.

The guest speakers for the occasion were Mrs. K. Nirmala, Forest Range Officer, and Mr.O.Ranganathan, Forest Range Officer, who shared their field experiences, challenges in wildlife protection, and strategies for human-wildlife coexistence. Their insightful talks highlighted the importance of individual responsibility and community participation in conserving wildlife.

The event was held under the overarching theme of Sewa Parv, reflecting the spirit of service and responsibility towards nature. The session aimed to create awareness among students about wildlife conservation, forest protection, and the vital role of biodiversity in maintaining ecological balance.

The event concluded with an interactive session where students enthusiastically participated and pledged to contribute to wildlife conservation efforts. The celebration reinforced the message that protecting wildlife is not just an obligation but a shared responsibility towards ensuring a balanced and sustainable planet.
