To
The Editor,
Sir,

Date: 01.03.2025

I request that the following message may kindly be published in your esteemed daily:
TNAU conducts Skill Development Training on “Manufacturing of paper-based products”

Skill development training on “Manufacturing of paper-based products” is scheduled to be held in Tamil Nadu Agricultural University from **15.03.2025** for college students. The Pilot Paper Plant functioning under the Department of Food Process Engineering, AEC&RI, TNAU, Coimbatore was established during the year 1976 for the manufacturing of paper-based products utilizing the agricultural waste and waste papers. The advanced machinery namely Rag chopper Machine, Hollander beater, Cylinder mould machine, Solar dryer, Calendaring machine, Power cutter, Scouring machine, Printing machine etc. have been installed for the production of paper based products from agricultural biomass. The following items will be dealt in the training programme: Manufacturing of

- Office file (Plastic clip and Tag file)
- Spring file
- Nada file

Venue of training:

Pilot Paper Plant
Department of Food Process Engineering
Agricultural Engineering College & Research Institute
Tamil Nadu Agricultural University
Coimbatore – 641 003

Bus stop: TNAU Botanical Garden, (Gate No.7), Coimbatore

Interested persons are requested to pay a training fee of **Rs.1000/-** (Rupees One thousand only inclusive of **18% GST**) on the 1st day of the training programme.
