Sir,

I request that the following matter may kindly be published in your esteemed daily:

Blood Donation Camp at TNAU

National Service Scheme of Tamil Nadu Agricultural University (TNAU), Rotary Club of Coimbatore West and Santi School Social Services, Coimbatore organized a bold donation camp at TNAU premises.

Inaugurating the camp Dr. S. Mahimairaja, Dean (Agriculture), TNAU, Coimbatore appreciated the volunteers who donated their precious blood for the life saving noble cause. Former Alumnus and Rotary Club Secretary Mr. Sasikumar and President Mr. Krishnaraj encouraged the students and said that social activities will continue in association with TNAU NSS, 50 student volunteers, former NSS programme officer Dr. M.R. Srinivasan and Rtn. Mr. Sasikumar donated blood in the camp.

Presently the gap between the need of blood and donated units is very huge in India. Blood from a person can save four lives by giving plasma, platelets and blood as a whole. For the student volunteers, blood will be rejuvenated and purified by donation. Doctors advised students volunteers should keep themselves healthily by taking vegetables and fruits and build a healthy resource. India is a land of youngsters. So they should dedicate for India's development in various ways and blood donation is one such cause.

The programme was organized by NSS Coordinator Dr. K. Kumutha and programme officers Dr. M.R. Latha, Dr. Sakthivel, Dr. Thanga Hemavathy, Dr. Hema Prabha, Dr. Guru and Rtn. Mr. Sasikumar.

Asst. Public Relations Officer
