To  
The Editor,

Date: 9-4-2015

Sir,

I request that the following matter may kindly be published in your esteemed daily:

### **Industrial Internship Programme at TNAU**

The industrial internship programme is being conducted every year for final year B.Tech (EEE) and B.Tech (FPE) students during the eighth semester in AEC&RI, TNAU, Coimbatore for a duration of 80 days. Under this programme, various industries, pertaining to renewable energy, environment and food processing available throughout India, are contacted towards acquiring internship to our students in the industries according to their choice.

During the internship programme, the students stay and work in the industries for a period of 80 days. A poster session exhibiting the out come of their internship was organized for both B.Tech (EEE) and B.Tech (FPE) programmes on 08.04.2015, 2.30 – 6.00 pm at Technology Park 3 of TNAU, Coimbatore. During the exhibition, the students displayed the various activities of the concerned industries, the topic of problem on which they worked, the output of their work, information on the absorption of interns into the industries, models / documents related to their work in the industries, etc. Our Vice-Chancellor Dr. K. Ramasamy conceptualized such an effort and encouraged this activity.

Our Registrar Dr. C.R. Ananda Kumar inaugurated the poster session on 08.4.2015 at 2.30 PM and was explain the activities by the interns. He along with Dr. C. Divakar Durairaj, Dean, Agricultural College and Research Institute, TNAU congratulated the outgoing students and encouraged the junior students to be proactive in acquiring relevant knowledge and putting into the practice in their ensuing internships. They congratulated the 43 number of outgoing students already placed in the industries and 25 number of students who have been admitted to the higher studies in prestigious National and International Institutes for their higher studies.

Asst. Public Relations Officer
