Sir,

I request that the following matter may kindly be published in your esteemed daily:

Skin, Hair and Cosmetology Camp in TNAU

Tamil Nadu Agricultural University (TNAU) National Scheme Service (NSS) and Dr. Thaj Laser Skin and Hair clinic, Coimbatore jointly organized the skin, hair and cosmetology camp in TNAU Hospital premises on 5-12-2015.

Dr. C.P. Thajudheen, Dr. K. Jyothy and Dr. Priyadharshini of Thaj Clinic observed the skin and hair health of more than 350 people including NSS volunteers, staff members and farm labourers. Free computerized dandruff testing was done and medical advice was given for pimples, scars, hair fall, presenting unwanted hair growth, wrinkles and black marks. Advantages of laser treatment were explained by the doctors and permanent removal of unwanted hairs with 5-6 sittings depending on the nature of growth was explained.

Dr. A. Arulmozhi, TNAU Medical Officer, Coimbatore and team, NSS programme officers and Mr. Krishnan, PRO, Thaj Clinic participated in this camp.

The camp was organized to make the volunteers and people aware of skin problems about which people are generally ignorant. Doctors also advised young volunteers to take fruits, vegetables, sprouts and fibre rich foods and avoid stress which causes skin problems and lead a positive life.

Asst. Public Relations Officer
